

AB Refrigeration Contracting Ltd

Bank Chambers, 2 Church Street, Reigate, Surrey. RH2 0AN

In accordance with its duty under Section 2(3) of the Health and Safety at Work etc. Act, 1974, and in fulfilling its obligations to both employees and the public who may be affected by its activities, AB Refrigeration Contracting Ltd have produced the following statement of policy in respect of Health and Safety.

AB Refrigeration Contracting Ltd seeks to provide, as far as is reasonably practicable, safe and healthy working conditions free of work related accidents for its employees, and to ensure that any work undertaking by the Company does not adversely affect the Health and Safety of other persons.

All employees are reminded of their personal legal responsibilities and asked to do everything they can to prevent injury to themselves and to others, and for our part, the Group will provide the necessary training, information and instruction to all employees.

The aims and objectives of the Company with regard to Health and Safety are as follows:

- To promote and maintain standards of Health, Safety and Welfare within the Health and Safety at Work Act 1974, other relevant legislation and Codes of Practice.
- To protect employees and others, including the public, from foreseeable work hazards.
- To facilitate the progressive identification and assessment of risks, and their elimination or control.
- To provide all employees with the necessary information, instruction, training, supervision and equipment needed to ensure that safe working practices are adhered to and safety awareness is developed.
- To ensure that employees at all levels are aware of their individual Health and Safety responsibilities in order to protect themselves and others.
- To make arrangements for consultation with employees on Health and Safety.
- To provide effective arrangements to deal with emergencies.
- To recognise the link between efficiency, safety and health and to minimise the costs, losses and disruption which arise from accidents, ill health and dangerous occurrences.
- To supply equipment that is safe for use.
